To

The Secretary to the Hon'ble the Resident
in Mysore, Bangalore.

Sir,

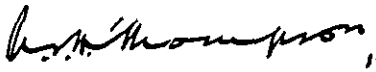

I have the honour to forward herewith, in the prescribed form, an application for a half-grant under Article 52 (a) of the Code of Regulations for European Schools, from the Correspondent, Bishop Cotton Girls' High School, Bangalore, towards the construction of a room, 16' by 10', to serve as office and reception room and to adjoin the present office room, which will become the Principal's room and will release the room, at the other end of the main building, which is used as the Principal's room with no little inconvenience, all round, because of its situation. The plan and estimates prepared by the Municipal Executive Engineer are enclosed. It will be seen that the room is estimated to cost Rs.972 with the necessary alterations in the existing office room, which it is to adjoin. A grant of, therefore, Rs.486 is desired, and I recommend that an amount not exceeding Rs.486 be sanctioned and debited to "Account II. Education- B. Secondary - Direct Grants to non-Government Secondary Schools- Building and Furniture Grants" in the current year's Mysore Assigned Tract Budget.

As the management would like to construct the room during the ensuing mid-summer vacation, i.e. during May, I request that orders may kindly be passed as soon as practicable.

I have the honour to be,

Sir,

Your most obedient servant,

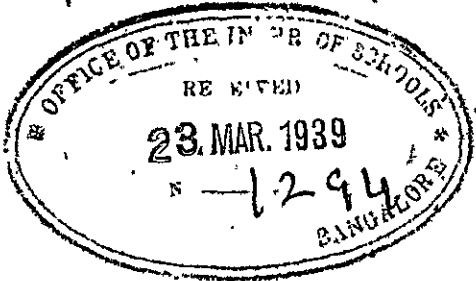

Inspector of Schools, 18/4
C. & M. Stn. Bangalore.

Application for Building Grant towards the cost of building an office room for Bishop Cotton Girls High School at Bangalore in the district of Bangalore.

NOTE.—If there be any striking variations in the strength as shown above, such variations should be accounted for.

(1) Character of, necessity for, and purpose of, the proposed work.

(2) Is a site plan and sketch plans of the proposed building attached?

(3) Does it show

(a) the relation of the proposed building or extension to the existing buildings?

(b) any alteration in existing buildings necessitated by it?

(c) the purpose to which the existing buildings are now put?

(d) the purpose to which they will be put when the new building or extension is complete?

NOTE.—(i) Any notes that cannot be conveniently inserted in the plan may be given under each of the above headings.

(ii) The rooms of the sketch plans should be lettered or numbered and a key supplied.

(4) Probable cost of the proposed work.

(5) Whether the management has the necessary funds to complete the work in the event of the application being favourably considered.

(6) Whether the governing body is registered under any act of the Local or Imperial Government, if so state the act and number and date of certificate.

(7) If the aid sought for is towards the cost of site, declaration that it is the cheapest suitable site.

(8) Declaration that the governing body is prepared to execute the prescribed deed if required by the Director to do so.

(9) If the property is not owned by the governing body, declaration that the owner or his or her legal representative will execute the deed or will be made a party to the deed.

(10) The name and address in full of the person who holds power-of-attorney on behalf of the governing body to execute the prescribed deed.

(11) Name, designation and qualification of the person by whom detailed plans and estimates and specifications will be prepared.

(12) Whether the title to the property is clear and in order and by whom the title-deeds were examined.

(13) The latest date on which the management wishes to (i) begin the work and (ii) complete the work.

(14) Is the declaration with regard to encumbrance, alienation and the conditions of recognition and aid attached.

(15) Amount of building grants drawn by the institution in previous years with the number and date of the sanction and the purposes for which given. Particulars should be given for 40 years.

(16) If the aid sought is towards the construction of a boarding house, declaration that the boarding house will be managed according to store approved by the Department.
